

Treasure Valley Municipal Parks Project Monitoring Report

Project Operator Name: Treasure Valley Canopy Network, Inc

Project Name: Treasure Valley Municipal Parks Project

Project Location: Boise, Idaho

Deadline to Submit to CFC (*annually from the date of the first Verification Report*): December 8th \

1. Has the contact information for the Project Operator changed? If so, provide new contact information.

Yes, the Project Operator remains the same, but some contact information has changed.

Here is the current contact: Lance Davisson, Director at Treasure Valley Canopy Network, director@tvcanopy.net, 208-994-1135

2. Have there been changes in land ownership of the Project Area?

No

3. Have there been any changes in the Project Design?

No

4. Have there been any changes in the implementation or management of the Project?

No

5. Have there been any significant changes to the site (such as flooding or human changes)?

No significant changes. Some overall design changes to the following parks were noted upon inspection:

- A project at Pine Grove Park to install an underground storage tank required moving one tree to a different location using a tree spade. No change in total number or condition of any trees.
- The installation of a new playground at Franklin Park did not affect any trees associated with this project.

6. Have there been any significant tree or canopy losses estimated to be greater than 10% of Project Trees or 10% of canopy?

No

7. Do you anticipate future canopy loss (such as a new pest or disease issue found)?

No

8. Any other significant elements to report?

No
