**AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the mutual receipt of which is hereby acknowledged, Landowner hereby declares that the *Property* is and shall be held and occupied subject to the terms of this Agreement, and Landowner hereby further declares that Landowner's interest in and rights to any and all Carbon Credits associated with this *Property* are and shall be transferred, sold and conveyed to TreeFolks, all subject to the terms and conditions hereinafter set forth:

If the Landowner cuts, harvests, or damages the trees for any reasons other than those specified in Section 6, or if it defaults for other reasons, Landowner shall compensate TreeFolks in an amount not to exceed \$150 per acre of land, or a pro rata share of that amount for any discrete portion of land, where trees are cut, harvested, or damaged or where the Tree Project cannot continue.

2. TreeFolks agrees to provide and arrange for the planting of trees on the Property as outlined in Exhibit "A" and depicted on Exhibit "B" in areas that are acceptable to Landowner and to TreeFolks, and Landowner agrees to allow the planting of such trees on the Property. Landowner acknowledges that TreeFolks intends to receive such Carbon Credits and then re-sell the Carbon Credits to the City of Austin or other buyer of such Carbon Credits for funds that will be paid to TreeFolks in return for the sale of the Carbon Credits by TreeFolks.

4. Subject to the foregoing, the terms of this Agreement shall run with the land and shall be binding upon Landowner, landowner's successors and assigns, and all parties claiming by, through, or under Landowner shall be taken to hold, agree, and covenant with Landowner, its successors and assigns, to conform to and observe the terms and conditions of this Agreement as to the preservation of the trees planted pursuant to this Agreement, and Landowner, its successors and assigns, as well as TreeFolks, the City of Austin, and their successors and assigns, shall have the right to enforce this Agreement, including the right to sue for and obtain an injunction prohibitive or mandatory, to prevent the breach of this Agreement, without any showing of special damages.

5. This Agreement may not be amended in whole or in part except by written agreement of the Landowner and TreeFolks, or their successors in interest.

6. TreeFolks agrees to indemnify and hold Landowner and its officers, members, employees and agents harmless from any liability, loss or damage Landowner may suffer as a result of claims, demands, costs or judgments against Landowner arising out of the activities to be carried out by TreeFolks pursuant to the obligations of this Agreement, including, but not limited to, the planting of trees on the Property and monitoring growth of the plantings; provided, however, that any such liability, loss or damage resulting from the negligence or willful malfeasance of Landowner, its officers, members, employees and agents is excluded from this Agreement to indemnify and hold harmless.

7. Nothing herein shall be construed to entitle any Party to institute any enforcement proceedings against Landowner for any changes to the Property due to causes beyond Landowner's control, such as changes caused by fire, flood, storm, earthquake, or the unauthorized wrongful acts of third persons. If either Party is in default of this Agreement, the other Party may notify the defaulting Party of the specific nature of the default. **Exhibit "A" Continued: legal description of five acres out of 244.437 acres**

Out of the above defined 244.437 acre parcel of land, that certain five (5) acre, more or less, tract is more specifically defined by the following GPS points:

Anywhere in this description and depiction where a geographical location is delineated or escribed by use of latitude and longitude coordinates, the Parties agree that the coordinates are accurate. However, when attempting to locate coordinate locations in the field by use of a Global Positioning System (GPS) receiver, the Parties agree that an error of several feet is possible. When there is a necessity of making a determination of a location on the Property or in a dispute about a location, the Parties agree that the GPS data given from a GPS receiver will be used and that the error factor will be construed in favor of the Landowner.

## AGREEMENT AND DECLARATION OF COVENANTS

THIS AGREEMENT is made this 27 day of October 2019, by Claud A. and Sharon S. Bramblett hereinafter called "Grantor," and accepted by TreeFolks, a Texas nonprofit corporation, hereinafter sometimes referred to as "Grantee."

WHEREAS, Grantor is the owner of a tract of land consisting of 20 acres, more or less, located in Travis County, Texas, as more particularly described on Exhibit "A" attached hereto, hereafter referred to as the "Property," and,

WHEREAS, Grantor desires to participate in the Travis County Floodplain Reforestation Program, which is a collaborative effort between TreeFolks, Travis County, the City of Austin, and City Forest Credits of Seattle, Washington, and which is designed to restore riparian areas and thereby enhance air and water quality, provide wildlife habitat, mitigate floods and droughts, and increase the resilience of the ecosystem, and,

WHEREAS, TreeFolks desires to provide trees, planting services, and consultation services to Grantor at no charge, and Grantor desires to allow the planting of such trees on the Property and, as provided herein, commits to allow the trees to remain on the Property for a period of at least twenty-five (25) years, and,

WHEREAS, Grantor desires to transfer to TreeFolks all of Grantor's rights to receive and interest in the carbon credits that will be generated by this reforestation project on the Property and may be issued by City Forest Credits, which credits are expected to be sold by TreeFolks to the City of Austin and used to fund future tree plantings.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the mutual receipt of which is hereby acknowledged, Grantor hereby declares that the Property is and shall be held, transferred, sold, conveyed, and occupied subject to the terms and conditions hereinafter set forth:

1. During the period of time beginning on the date of this Agreement and ending twenty-five (25) years thereafter on the twenty-fifth anniversary of the date of this Agreement, the trees planted on the Property by TreeFolks or its representatives shall not be removed, harvested, or intentionally damaged by Grantor or Grantor's assignees or successors in interest, and such parties will not take any action that would result in damage to or destruction of the trees. If the Landowner cuts, harvests, or damages the trees for any reasons other than those specified in Section 6, or if it defaults for other reasons, it shall compensate TreeFolks in an amount not to exceed \$150 per acre of land where trees are cut, harvested, or damaged or where a Tree Project cannot continue.

2. TreeFolks agrees to provide and arrange for the planting of trees on the Property as outlined in Exhibit "A" in areas that are acceptable to Grantor and to TreeFolks, and Grantor agrees to allow the planting of such trees on the Property.

3. Grantor hereby assigns, transfers, and conveys to TreeFolks all of Grantor's interests in and rights to any and all carbon credits that may be issued by City Forest Credits or any other issuer of such credits as a result of the planting of the trees pursuant to this Agreement. Grantor acknowledges that TreeFolks intends to receive such credits and then re-sell the credits to the City of Austin or other buyer of such credits for funds that will be paid to TreeFolks in return for the sale of the credits by TreeFolks.

4. Subject to the foregoing, the terms of this Agreement shall run with the land and shall be binding upon Grantor, Grantor's successors and assigns, and all parties claiming by, through, or under Grantor shall be taken to hold, agree, and covenant with Grantor, its successors and assigns, to conform to and observe the terms and conditions of this Agreement as to the preservation of the trees planted pursuant to this Agreement, and Grantor, its successors and assigns, as well as Grantee, the City of Austin, and their successors and assigns, shall have the right to enforce this Agreement, including the right to sue for and obtain an injunction prohibitive or mandatory, to prevent the breach of this Agreement, without any showing of special damages.

5. This Agreement shall run with the land until the twenty-fifth anniversary of the date of this Agreement, after which time it shall automatically terminate. This Agreement may not be amended in whole or in part except by written agreement of the Grantor and the Grantee.

6. Nothing herein shall be construed to entitle any party to institute any enforcement proceedings against Grantor for any changes to the Property due to causes beyond Grantor's control, such as changes caused by fire, flood, storm, earthquake, or the unauthorized wrongful acts of third persons. If either party is in default of this agreement, the other party may notify the defaulting party of the specific nature of the default. The defaulting Party has 30 days from the date of notice to correct the default. If the default is not corrected in 30 days, the non-defaulting party may cancel this agreement. Notice of cancellation shall be delivered in writing to the current contact address of the defaulting party.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the mutual receipt of which is hereby acknowledged, Grantor hereby declares that the Property is and shall be held, transferred, sold, conveyed, and occupied subject to the conditions, covenants, and restrictions hereinafter set forth:

1. During the period of time beginning on the date of this Agreement and ending twenty-five (25) years thereafter on the twenty-fifth anniversary of the date of this Agreement, the trees planted on the Property by TreeFolks or its representatives shall not be removed, harvested, or intentionally damaged by Grantor or Grantor's assignees or successors in interest, and such parties will not take any action that would result in damage to or destruction of the trees except in cases of emergency involving fire or flooding or to mitigate hazard if trees are identified as a hazard by a certified arborist.

2. TreeFolks agrees to provide and arrange for the planting of trees on the Property as outlined in Exhibit "A" in areas that are acceptable to Grantor and to TreeFolks, and Grantor agrees to allow the planting of such trees on the Property.

3. Grantor hereby assigns, transfers, and conveys to TreeFolks all of Grantor's interests in and rights to any and all carbon credits that may be issued by City Forest Credits or any other issuer of such credits as a result of the planting of the trees pursuant to this Agreement. Grantor acknowledges that TreeFolks intends to receive such credits and then re-sell the credits to the City of Austin or other buyer of such credits for funds that will be paid to TreeFolks in return for the sale of the credits by TreeFolks.

4. Subject to the foregoing, these covenants, conditions, and restrictions are to run with the land and shall be binding upon Grantor, Grantor's successors and assigns, and all parties claiming by, through, or under Grantor shall be taken to hold, agree, and covenant with Grantor, its successors and assigns, to conform to and observe said restrictions as to the preservation of the trees planted pursuant to this Agreement, and Grantor, its successors and assigns, as well as Grantee, the City of Austin, and their successors and assigns, shall have the right to enforce said covenants, conditions, and restrictions, including the right to sue for and obtain an injunction prohibitive or mandatory, to prevent the breach of said covenants, conditions, and restrictions, without any showing of special damages.

5. These covenants, conditions, and restrictions are to run with the land until the twenty-fifth anniversary of the date of this Agreement, after which time they shall be automatically terminated. These covenants may not be amended in whole or in part except by written agreement of the Grantor and the Grantee.

6. Nothing herein shall be construed to entitle any party to institute any enforcement proceedings against Grantor for any changes to the Property due to causes beyond Grantor's control, such as changes caused by fire, flood, storm, earthquake, or the unauthorized wrongful acts of third persons. In the event of damage to the trees caused by wrongful acts of third persons, Grantor agrees, upon request by Grantee, to assign its right to action to Grantee, to join in any suit, or to appoint Grantee its attorney in fact for the purposes of pursuing enforcement action, all at the election of Grantee.

WHEREAS, Grantor desires to transfer to TreeFolks all of Grantor's rights to receive and interest in the carbon credits that will be generated by this reforestation project on the Property and may be issued by City Forest Credits, which credits are expected to be sold by TreeFolks to the City of Austin and used to fund future tree plantings.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the mutual receipt of which is hereby acknowledged, Grantor hereby declares that the Property is and shall be held, transferred, sold, conveyed, and occupied subject to the terms and conditions hereinafter set forth:

# Agreement to Transfer Potential Credits

This Agreement to Transfer Potential Credits ("Agreement") is entered in to this 17 day of OCTOBER 2019 (the "Effective Date") by PATRICIA KENNY (the "Landowner") and TreeFolks, a Texas non-profit organization ("TreeFolks") whose mission is to plant trees in central Texas and who has undertaken a tree-planting project ("Tree Project") on the Property of Landowner (the "Property").

## 1. Purpose and Intent

TreeFolks and Landowner desire to help TreeFolks fund this Tree Project by allowing TreeFolks to develop potential carbon and environmental credits that it can attempt to sell to defray project costs or to plant additional trees. The Landowner will receive the benefits of the trees planted in this project at little to no cost to the Landowner.

These potential carbon or environmental credits or offsets include amounts of carbon dioxide stored, storm water run-off reductions, energy savings, fish habitat, and air quality benefits arising from the planting and growth of trees in the Tree Project ("Carbon+ Credits"). The Carbon+ Credits will be developed using the protocols and registry of City Forest Credits, a non-profit organization ("CFC").

## 2. Rights Granted

Landowner grants TreeFolks the title and rights to any and all Carbon+ Credits developed from the Tree Project during the term of this agreement, including rights to register with CFC, and develop and sell the Carbon+ Credits.

## 3. Subject Lands

The Property specified in Exhibit A.

## 4. Obligations of TreeFolks

TreeFolks will pay all costs and assume all responsibilities for development and sale of Carbon+ Credits from the Tree Project.

## 5. Landowner Representations

Landowner represents that it has authority to enter this agreement, and that the Property is free from any liens, claims, encumbrances, tenancies, restrictions, or easements that would prevent or interfere with the rights to Carbon+ Credits granted under this Agreement.

## 6. TreeFolks Representations

TreeFolks represents that it has the capacities necessary to execute its obligations under this agreement.

## 7. Term of Agreement and Option to Renew

This Agreement shall remain in force for 25 years after the Effective Date of the Agreement.

## 8. Governing Law

This agreement shall be construed and enforced in accordance with the laws of the State of Texas.

All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this section.

In such event, the Contractor shall pay to the City upon demand the increased cost, if any, incurred by the City to procure such services from another source.

## SECTION 7. MISCELLANEOUS

- 7.1 **Place and Condition of Work.** The City shall provide the Contractor access to the sites where the Contractor is to perform the services as required in order for the Contractor to perform the services in a timely and efficient manner in accordance with and subject to the applicable security laws, rules, and regulations. The Contractor acknowledges that it has satisfied itself as to the nature of the City's service requirements and specifications, the location and essential characteristics of the work sites, the quality and quantity of materials, equipment, labor and facilities necessary to perform the services, and any other condition or state of fact which could in any way affect performance of the Contractor's obligations under the Contract. The Contractor hereby releases and holds the City harmless from and against any liability or claim for damages of any kind or nature if the actual site or service conditions differ from expected conditions.
- 7.2 **Workforce.**
- 7.2.1 The Contractor shall employ only orderly and competent workers, skilled in the performance of the services which they will perform under the Contract.
- 7.2.2 The Contractor, its employees, subcontractors, and subcontractor's employees may not while engaged in participating or responding to a solicitation or while in the course and scope of delivering goods or services under a City of Austin contract or on the City's property:

- 7.2.3 If the City or the City's representative notifies the Contractor that any worker is incompetent, disorderly or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms, or has possessed or was under the influence of alcohol or drugs on the job, the Contractor shall immediately remove such worker from Contract services, and may not employ such worker again on Contract services without the City's prior written consent.
- 7.3 **Compliance with Health, Safety, and Environmental Regulations.** The Contractor, its Subcontractors, and their respective employees, shall comply fully with all applicable federal, state, and local health, safety, and environmental laws, ordinances, rules and regulations in the performance of the services, including but not limited to those promulgated by the City and by the Occupational Safety and Health Administration (OSHA). All notifications shall be submitted in writing to the Contract Manager. As used in this provision, a "significant event" is any occurrence or anticipated occurrence which might reasonably be expected to have a material effect upon the Contractor's ability to meet its contractual obligations. Significant events may include but not be limited to the following:
- 7.4.1 disposal of major assets;

**7.5 Audits and Records.**

- 7.5.1 The Contractor agrees that the representatives of the Office of the City Auditor or other authorized representatives of the City shall have access to, and the right to audit, examine, or reproduce, any and all records of the Contractor related to the performance under this Contract. The Contractor shall retain all such records for a period of three (3) years after final payment on this Contract or until all audit and litigation matters that the City has brought to the attention of the Contractor are resolved, whichever is longer. The Contractor agrees to refund to the City any overpayments disclosed by any such audit.
- 7.5.2 Records Retention:
  - 7.5.2.1 Contractor is subject to City Code chapter 2-11 (Records Management), and as it may subsequently be amended. For purposes of this subsection, a Record means all books, accounts, reports, files, and other data recorded or created by a Contractor in fulfillment of the Contract whether in digital or physical format, except a record specifically relating to the Contractor's internal administration.
  - 7.5.2.2 All Records are the property of the City. The Contractor may not dispose of or destroy a Record without City authorization and shall deliver the Records, in all requested formats and media, along with all finding aids and metadata, to the City at no cost when requested by the City.
- 7.5.3 The Contractor shall include sections 7.5.1 and 7.5.2 above in all subcontractor agreements entered into in connection with this Contract.

**7.6 Financial Disclosures and Assurances.** The City may request and review financial information as the City requires to determine the credit worthiness of the Contractor, including but not limited to, annual reports, audited financial statements and reports, bank letters of credit or other credit instruments. Failure of the Contractor to comply with this requirement shall be grounds for terminating the Contract.

**7.7 Stop Work Notice.** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

## 7.8 **Indemnity.**

### 7.8.1 Definitions:

7.8.1.1 "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for:

7.8.1.1.1 damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or;

7.8.1.1.2 death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties),

7.8.1.2 "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct, or a breach of any legally imposed strict liability standard.

7.8.2 **THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS, EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD-PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.**

7.9 **Claims.** If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse effect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Austin City Attorney. - 7.11 **Confidentiality.** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.
- 7.12 **Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.
- 7.13 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
- 7.14 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.
- 7.15 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
- 7.16 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
- 7.17 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third-party beneficiaries to the Contract.

- 7.18 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
- 7.19 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.
- 7.20 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
- 7.21 **Dispute Resolution.**
- 7.21.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties; in which event the parties may proceed directly to mediation as described below.
- 7.21.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.
- 7.22 **Minority And Women Owned Business Enterprise (MBE/WBE) Procurement Program.**
- 7.22.1 All City procurements are subject to the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program found at Chapters 2-9A, 2-9B, 2-9C and 2-9D of the City Code. The Program provides Minority-Owned and Women-Owned Business Enterprises (MBEs/WBEs) full opportunity to participate in all City contracts.
- 7.22.2 The City of Austin has determined that no goals are appropriate for this Contract. **Even though no goals have been established for this Contract, the Contractor is required to comply with the City's MBE/WBE Procurement Program, Chapters 2-9A, 2-9B, 2-9C and 2-9D, of the City Code, as applicable, if areas of subcontracting are identified.**

- 7.22.3 If any service is needed to perform the Contract and the Contractor does not perform the service with its own workforce or if supplies or materials are required and the Contractor does not have the supplies or materials in its inventory, the Contractor shall contact the Department of Small and Minority Business Resources (DSMBR) at (512) 974-7600 to obtain a list of MBE and WBE firms available to perform the service or provide the supplies or materials. The Contractor must also make a Good Faith Effort to use available MBE and WBE firms. Good Faith Efforts include but are not limited to contacting the listed MBE and WBE firms to solicit their interest in performing on the Contract; using MBE and WBE firms that have shown an interest, meet qualifications, and are competitive in the market; and documenting the results of the contacts.

**7.23 Subcontractors.**

- 7.23.1 If the Contractor identified Subcontractors in an MBE/WBE Program Compliance Plan or a No Goals Utilization Plan, the Contractor shall comply with the provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D, as applicable, of the Austin City Code and the terms of the Compliance Plan or Utilization Plan as approved by the City (the "Plan"). The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager and the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.
- 7.23.2 Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the Contract, and shall contain provisions that:
- 7.23.2.1 require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract.
  - 7.23.2.2 prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;
  - 7.23.2.3 require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;
  - 7.23.2.4 require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and
  - 7.23.2.5 require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.
- 7.23.3 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.
- 7.23.4 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

7.24 **Jurisdiction and Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.25 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

7.28 **Non-Suspension or Debarment Certification.** The City of Austin is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, or City of Austin Contracts. ## Scope of Work

### Co-Sponsorship Agreement between Tree Folks and the City of Austin Watershed Protection Department for Travis County Floodplain Reforestation Pilot Program Support

#### 1.0 **Background**

The City of Austin Watershed Protection Department (COA WPD) recently assessed the creeks and riparian corridors within the Blackland Prairie ecoregion. It found that diverse wooded corridors along these creeks are relatively rare. Large sections of riparian corridors lack tree cover, and many areas with tree cover have low tree species diversity when compared to creeks in the urban area. Blackland Prairie creeks are highly erodible and likely to be severely impacted by the projected changes in rainfall patterns for the near future. Reforesting these riparian zones will support more resilient creeks in the face of the anticipated stressors of urbanization and climate change.

Robust and diverse riparian buffers are critical for downstream water quality, water quantity, and quality of wildlife habitat in an urbanizing setting. Furthermore, wooded riparian areas help mitigate the urban heat island by creating corridors with higher evapotranspiration and thus air cooling. Eastern Travis County is one of the fastest urbanizing places in the United States. Just outside of Austin, TX, the Blackland Prairie ecoregion was once prairie land mixed with riparian forestland. Through over a century of agricultural use, riparian forests have been stripped from more than 700 streamside miles, resulting in degraded banks, lower water availability, warmer water, depleted oxygen levels, and degraded wildlife habitat.

Tree Folks has been awarded with an NCS Acceleration Grant to pilot the floodplain reforestation program to also help generate local carbon credits to support the City of Austin zero carbon goals.

#### 2.0 **Program Objective**

In coordination with Travis County, the City of Austin Parks & Recreation Department, and various community service and volunteer organizations, the objectives of the Travis County Floodplain Reforestation Program are to:

- Improve water quality (in-stream shade, overland flow filtration/infiltration, aquatic habitat complexity) by improving Austin's Creekside environment
- Enhance erosion protection provided by root systems of woody species
- Improve tree canopy and diversity in riparian areas
- Support existing efforts by the Office of Sustainability to foster a local carbon offset market
- Restore forest connectivity along creeks as potential greenbelts

To achieve program success:

- Ana Gonzalez, Program Coordinator for COA WPD, will assist with program development and service project logistics and support for two (2) hours each week.
- WPD will contribute \$55,000 to Tree Folks for programming and staff support
- Tree Folks shall provide reforestation services for 2 public parcels (15 acres minimum total reforested)
- Tree Folks shall conduct site consultations for landowners on 30 private parcels that result in a minimum of 15 parcels receiving reforestation services, all of which will support forested

floodplain connectivity. With 50,000 trees, TreeFolks can provide reforestation services on a total of 92 acres (2019-2020 season)

# Travis County Commissioners Court Agenda Request

**Meeting Date:** January 21, 2020

**AGENDA LANGUAGE:** Consider and take appropriate action regarding approval of a License Agreement with TreeFolks (an Urban Forestry non-profit), granting permission to plant trees in floodplain areas of Travis County Parks and approval of Agreement to Transfer Potential Credits from Travis County to TreeFolks.

**Prepared By:** Dan Pacatte, Park Forester      **Phone #:** (512) 854-7678

**Department Head:** Cynthia C. McDonald, County Executive - TNR

**Sponsoring Court Member:** Commissioner Travillion, Precinct One

**Press Inquiries:** Hector Nieto, PIO@traviscountytexas.gov or (512) 854-8740

## **BACKGROUND/SUMMARY OF REQUEST:**

In the summer of 2018, TreeFolks, an Urban Forestry non-profit, contacted Travis County regarding a partnership to plant trees on Travis County-owned floodplain areas as part of a grant they received from The Nature Conservancy. The program's focus is to reforest riparian areas subject to erosion on blackland prairie sites in eastern Travis County. TreeFolks would plant trees on private and public properties at no cost to the landowners. Landowners agree to not cut the trees for 27 years. The additional Agreement to Transfer Potential Credits allows TreeFolks to claim potential carbon credits that the tree plantings might generate. TreeFolks entered into a similar partnership with the City of Austin on flood buyout properties along Onion Creek. Parks staff agreed to survey potential sites and proposed several sites along Gilleland and Wilbarger Creeks. In the summer of 2019, TreeFolks and Travis County Parks agreed on a tract of land along Wilbarger Creek to be planted by a tree-planting contractor.

## **STAFF RECOMMENDATIONS:**

Staff recommends approval of the License Agreement and Agreement to Transfer Potential Credits.

## **ISSUES AND OPPORTUNITIES:**

TreeFolks will monitor the tree planting site through aerial photos, tracking increases in tree canopy cover. Travis County Parks agrees to not disturb the site, but cannot guarantee tree survival, due to issues of drought, flood or fire. The goal of tree planting is to increase tree canopy cover, minimize soil erosion, and improve water quality on Wilbarger Creek watershed, which flows into the Colorado River.

4.2 Any disregard of the directions, restrictions, rules, or regulations referenced in this section shall be grounds for immediate revocation of the License by the County Executive - TNR, the Director of the Parks Division, the Parks Coordinator, or their designated representatives, and such action is expressly authorized herein by the Travis County Commissioners Court.

## **V. USE AND REPAIRS**

5.1 Licensee shall not use the County Park for any purpose other than that set forth herein. Licensee shall repair or replace any damage to the Site caused by Licensee.

*\*Budget detail included as attached file*

The request funded through the NCS Grant Accelerator enacts an 18-month pilot study which, if successful, will be expanded into a sustainable, large-scale reforestation of public and, critical private riparian lands throughout Eastern Travis County as a natural climate solution (NCS) that will sequester carbon and improve regional watershed quality. This pilot will generate tradable Carbon+ Credits from the public land plantings, and demonstrate the feasibility of generating credits from private land to secure long-term sustainable funding for tree plantings county-wide.

This program, titled "Reforesting Travis County Riparian Zones and Parks", is a collaborative effort between TreeFolks, the City of Austin's Sustainability Office and Watershed Protection Department, Travis County, and City Forest Credits. TreeFolks, Central Texas' urban forestry nonprofit, serves as the project lead due to our eight-year history of successfully implementing large-scale reforestation efforts at the urban-wildland interface after fire and flood.

#### *Key interventions and expected outcomes:*

Specific interventions and indicators of success for the 2019-2020 planting season include:

- Provide community outreach to recruit 50 applications for reforestation services on private land
- Identify 4 public land parcels for planting efforts
- Implement onsite consultations and complete site plans for private and public lands
- Plant approximately 50,000 native tree saplings across all sites
- Reforest approximately 55 acres of property
- Engage approximately 400 volunteers in community tree-planting events
- Generate Carbon+Credits for sale to an established buyer like the City of Austin or local companies carbon offset

Intermediate and long-term outcomes for this project include:

- Long-term carbon offsets through reforestation and mitigation of associated impacts from climate change
- Increased understanding by landowners of the importance of healthy, riparian forests and increased tree cover to provide carbon sequestration and associated co-benefits
- Long-term change in species profile of Travis County riparian areas towards natives

- Greater connection between volunteers and their natural environment and communities
- Identification of sustainable funding routes through the sale of Carbon+ Credits from private land plantings.

# TRAVIS COUNTY FLOODPLAIN REFORESTATION PROGRAM

## East Travis County residents:

If you own land that has a stream or creek that is not already fully forested, sign up today to see if you qualify for the Travis County Floodplain Reforestation Program (TCFRP).

## Program summary:

TreeFolks is leading a **Natural Climate Solutions** pilot project to plant trees along East Travis County floodplains, also known as riparian areas. Restoring riparian areas will enhance air and water quality/quantity, provide wildlife habitat, mitigate the effects of floods and droughts, and increase ecosystem resilience. Additionally, this program is generating **Carbon+ Credits** in order to offset local carbon emissions.

## How to participate:

Reforestation services are **absolutely free of charge** and includes free trees, planting services, and consultations. There is no obligation or related fees for participating in Carbon+ Credit generation. Landowners that choose to participate in credit generation will be given higher priority.

**To find out more and apply online, visit:**  
[www.treefolks.org/travis-county-floodplain](http://www.treefolks.org/travis-county-floodplain)

*The TCFRP is a collaborative effort between **TreeFolks**, **Travis County**, the **City of Austin**, and **Seattle-based City Forest Credits**.*

*This initiative is funded by the **Nature Conservancy** in partnership with the **Doris Duke Charitable Foundation**.*

***Carbon+ Credits** are novel carbon offsets produced through **City Forest Credits** that quantify the valuable ecosystem services provided by trees in addition to carbon sequestration.*
