

Reforestation Des Moines, Iowa - 2021
Project Operator Attestation of Planting

I, the undersigned Project Operator for the Planting Project named Reforestation Des Moines, Iowa - 2021, located at city-owned right of way and parks throughout Des Moines, and submitted to City Forest Credits by application dated July 20, 2021, attest to the following in order to confirm the planting of trees under this Project:

- Trees planted were not required by any law or ordinance to be planted;
- Trees were planted under this project on a variety of dates throughout 2020 and 2021 with the first planting on 5/19/2020 and the final planting on 11/11/2021. See all inventory dates, which align with the planting dates, in the attached 2020-2021 Trees Forever Data Collection excel document.
- The organizations or groups that participated in the planting event(s) include Trees Forever staff, Trees Forever Growing Futures teen employees, and Des Moines-area volunteers;
- Planting events are shown in photos attached, which can include photos of tree stock and planting activities;
- The number of trees planted by species are, to a reasonable certainty, 1,799.

These planting numbers are confirmed by one or more of the following supporting and attached documents:

1. Invoices for trees planted, or
2. Invoices or a statement from the party who funded the tree purchase or supplied the trees attesting to the number of trees purchased, or
3. Any reporting to the owner or public body regarding the planting, invoices, costs, or other data re the planting, or
4. Any other reliable estimate of trees planted that is approved by the Registry

Signed on November 12 in 2021, by Kiley Miller, Executive Director and CEO, for Trees Forever.
