2. Have there been changes in land ownership of the Project Area?

No, ALT still is the landowner.

3. Have there been any changes in the Project Design?

No

4. Have there been any changes in the implementation or management of the Project?

No

5. Have there been any significant tree or canopy losses? Are there any areas of canopy change, growth or loss, that are important to note? (Provide any Google Earth Imaging or photos to show no significant changes).

None identified.

6. Please estimate the number of acres of significant soil disturbance since the previous monitoring report. Examples include plowing and removal of topsoil. For the purposes of these reports, areas of soil exposed by trees tipping over are not counted as areas of significant soil disturbance.

No acres of soil disturbance identified.

7. Any other significant elements to report?

None identified.

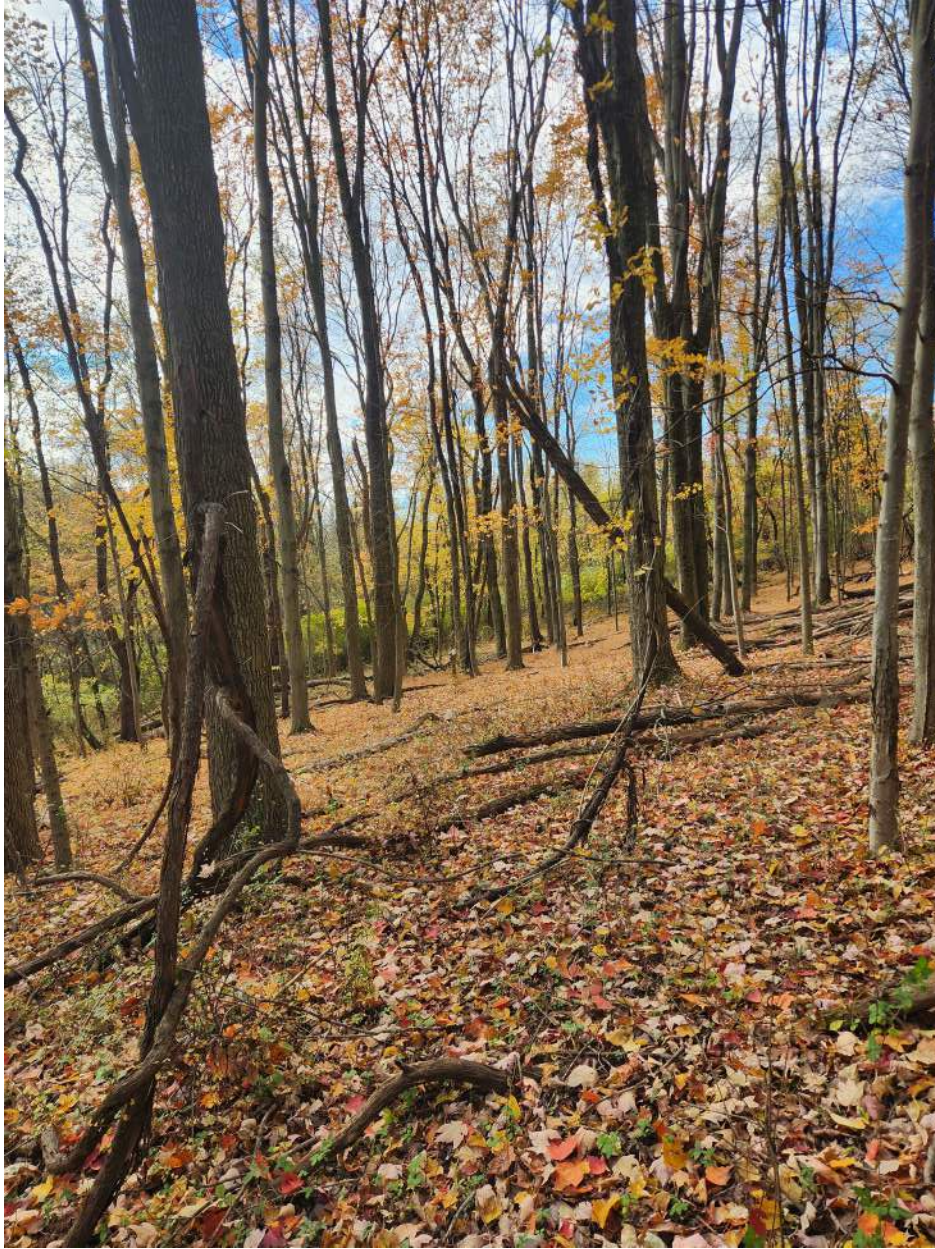

8. Please provide a photo of staff in, or the public using, the forest. (This is optional.)
