

Anneewakee Forest Preserve Monitoring Report

Project Operator Name: Georgia-Alabama Land Trust, Inc.

Project Name: Anneewakee Forest Preserve

Project Location: Douglas County, Georgia

Deadline to Submit to CFC (*triennial on the date of the first Verification Report*): 2/15/2026

1. Has the contact info for the Project Operator changed? If so, please provide new contact info.

No, the contact information remains the same. Moving forward, GALT's Director of Preserves Lesley Hanson will be the primary contact related to the Anneewakee Creek Preserve Project.

2. Have there been changes in land ownership of the Project Area?

No, GALT still owns the land and will continue to do so.

3. Have there been any changes in the Project Design?

No changes

4. Have there been any changes in the implementation or management of the Project?

No, GALT continues to move forward with the plan to utilize the Property as a public preserve but all plans are in line with original management objectives at time of project implementation.

5. Have there been any significant tree or canopy losses? Are there any areas of canopy change, growth or loss, that are important to note? (Provide any Google Earth Imaging or photos to show no significant changes).

No, see attached imagery in Exhibit A.

6. Please estimate the number of acres of significant soil disturbance since the previous monitoring report. Examples include plowing and removal of topsoil. For the purposes of these reports, areas of soil exposed by trees tipping over are not counted as areas of significant soil disturbance.

Zero acres of soil disturbance.

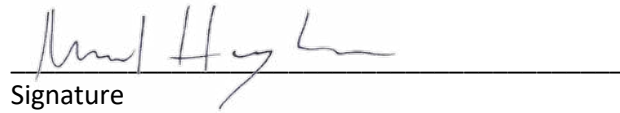

7. Any other significant elements to report?

Trail construction is scheduled to begin in March of 2026 and we plan to open the Property to the public on limited dates beginning this spring. Trail construction will utilize the existing road network and will not require the removal of vegetation or change the tree canopy on site.

8. Please provide a photo of staff in, or the public using, the forest. (This is optional.)
