

Deschutes River Floodplain Restoration Projects Monitoring Report

Project Operator Name: South Puget Sound Salmon Enhancement Group (SPSSEG)

Project Name: Deschutes River Projects

Project Location: Thurston County, WA

Deadline to Submit to CFC (*annually from the date of the first Verification Report*): July 12

- 1. Has the contact information for the Project Operator changed? If so, provide new contact information.**

No

- 2. Have there been changes in land ownership of the Project Area?**

No

- 3. Have there been any changes in the Project Design?**

No

- 4. Have there been any changes in the implementation or management of the Project?**

No

- 5. Have there been any significant changes to the site (such as flooding or human changes)?**

The site received two, 10-year flood interval events in winter 2025 and spring 2026. This did not result in any significant changes.

- 6. Have there been any significant tree or canopy losses estimated to be greater than 10% of Project Trees or 10% of canopy?**

There was observed mortality, but the total percentage was not calculated. The landowner replanted the known mortality in spring 2026.

- 7. Do you anticipate future canopy loss (such as a new pest or disease issue found)?**

No

- 8. Any other significant elements to report?**

No
